The screenshot shows the 'rect.' exercise from the Hello Typography app. At the top, there's a purple header bar with the text 'HELLO Typography' and 'UVWXYZ'. Below it is a red toolbar with a 'rect.' button. The main workspace has a grid background. A character wearing sunglasses and a brown cap is on the left. Two blue dashed boxes are centered on the grid. The text 'Typo p' is inside the left box, and 'Typo grAp' is inside the right box. Below the boxes, the text 'partitioned box's drawab' is partially visible. At the bottom, the text 'Hello Typography' is repeated, along with '100' and a small icon.

The diagram shows the word "HELLO Typography!" with various bounding boxes and regions highlighted:
